## INTERNATIONAL MINDEDNESS

OIS defines international-mindedness as a way of viewing the world whereby people of all nationalities, cultures, religions and lifestyles are valued equally as individuals, and where our connections with and responsibilities to this rich global community are celebrated, practiced and considered important.

International-mindedness at OIS means demonstrating the flexibility and curiosity that enables us to appreciate not only our many differences, but also our common humanity. It means that we strive to overcome barriers and use our gained understanding to care for each other; to cooperate for the common good, both at OIS and in our community.
